**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The US is embarrassingly behind in internet technology. Furthermore, the current few monopolies offer terrible service at over hiked prices. We must end this practice and allow more entries to the market. I fully support broadband competition. I hope you make the right decision in this regard.

Thank you,
